RAILWAYS.

The names of parties awarded contracts are printed in capital letters.

ALEXANDRIA, BAYOU MACON & GREENVILLE.—It is reported that construction will begin this spring. The road will traverse the Parishes of Rapides, Catahoula, Franklin, Richland and West Carroll, La., and Chicot County, Ark., crossing the Mississippi River below Greenville, Miss., to intersect the Illinois Central or Mississippi Valley systems. J. D. Garrettson and Major C. M. Hicks are interested and may be addressed at Alexandria, La. Surveys are now being run. Right of way is said to have been secured. S. H. Cordill, Delhi, La., is Pres. and Gen. Mgr.; T. B. Gilbet, Jr., Vice-Pres. and Secy.; and B. S. Landis, Treas.

ATCHISON, TOPEKA & SANTA FE.—At the special meeting of the stockholders in Topeka, Kan., held on Jan. 24, it was voted to issue $50,000,000 in bonds, convertible in stock, and to increase the common stock of the company from $102,000,000 to $152,000,000 for this purpose. The proceeds of this issue will be used for the following construction, according to J. W. Kendrick, Third vice-Pres.: About 155 miles of second track will be built, including the completing of the double track of the system between Chicago and Streator, Ill., and new second track east and west of Marceline, Ia. The track between Holliday and Emporia, Kan., on the cut-off, will be double-tracked. The 7-mile freight yard in Argentine, Kan., will be completed. A 1,500,000-bushel elevator will be built in Argentine to cost $400,000. The cut-off between Texico, on the Pecos Valley line, and the main line west of Albuquerque will be completed.

BELLINGHAM BAY & BRITISH COLUMBIA, J. J. Donovan, Bellingham, Wash., Ch. Engr., informs us that plans for proposed 350-mile extension (noted on Jan. 26) have not yet been approved.

BUTTE COUNTY.—J. B. Robinson, Ch. Engr., Chico, Cal., has stated that this company will build an extension 24 miles long from Sterling City, Cal. J. K. Robinson, 27 William St., New York, is Secy.

CACHE VALLEY.—A 20-mile extension will be built from Stonewall, Ark., to Chalk Bluff. An extension is now in course of construction from Light, Ark., to Stonewall, 15 miles. H. A. Culver, Sedgwick, Ark., is Gen. Mgr. and vice-Pres.

CALIFORNIA.—A report from San Francisco states that the Empire Redwood Co. has made preparations to build a 10-mile extension of its logging railroad, which is now in operation, for a distance of 16 miles, from the mill at Gualala into the redwood timber district. E. W. Davies is vice-Pres. of the company.

CANADA.—Dominion government railway department has compiled statistics which show that 19,611 miles of steam railways were in operation on June 30, 1904.

CHARLOTTE, MONROE & COLUMBIA.—Ernest Williams, Pres., Lynchburg, Va., informs us that proposed 40-mile extension from McBee, S. C., to Monroe, via Jefferson, will not be constructed this year. Noted on Jan. 26. R. A. Honeycutt, McBee, S. C., is Ch. Engr.

CINCINNATI SOUTHERN.—Contract for construction of the line between Cardiff, Tenn., and Hood's Landing, five miles, has been awarded to BOLT, KOON & BORCHES, of Knoxville, Tenn.

CORNING, LAKE KEUKA & ONTARIO.—Secretary of New York State, John F. O'Brien, has granted this company a certificate of reorganization. Company is capitalized at $1,500,000. The road was built about 25 years ago and, owing to litigation, abandoned. R. H. Curtis, of Bradford, N. Y., is interested. Connections with the Erie Ry. will be made at Savona, and the road will touch Bradford, Savona, Tyrone, Lake Lamoka, Wayne, Keuka, Barrington, Warsaw and Pen Yan. Reuben R. Lyon, of Bath, N. Y. is representative of company.

DEEPWATER RY.—Contracts will be let this spring, according to statement reported to have been made by Lewis Brungardner, an attorney, of Beckley, W. Va., for construction of Deepwater Ry, in Virginia. 85 miles of this road is now under contract, on 60 miles of which grading is under way. The line, as proposed, will run from Deepwater, W. Va., on the Chesapeake & Ohio, through the counties of Fayette, Raleigh, Wyoming and Mercer via Princeton to the Virginia state line near the junction of the East and New Rivers. At the state line, it is to connect with the projected Tidewater Railway, which is surveyed from that point to Hampton Roads. It is said that there will be constructed numerous steel bridges and trestles and eight tunnels. William N. Page, Ansted, W. Va., is Ch. Engr. and Gen Mgr. James Q. Green, 17 Burling Slip, New York, is Pres.

DENVER, ENID & GULF.—This line will be extended to Oklahoma City, it is reported. W. D. Gerber, Enid, Okla., is acting Ch. Engr.

DENVER & RIO GRANDE.—E. J. Yard, Ch. Engr., Denver, Colo., writes us that no extension is now under construction from either Howard or Sargents, as reported. Note regarding amendment of articles providing for this work was made on Feb. 2. E. T. Jeffery, 195 Broadway, New York, is Pres.

DULUTH, ST. CLOUD, GLENCOE & MANKATO.—The contract for building this road from Mankato to Albert Lea, Minn., 52½ miles, has been awarded to E. L. TOBIE & CO. Work is to begin in the spring. The company was formed some years ago to build a road from Duluth to Albert Lea, 287½ miles. A. H. Reed, Glencoe, Minn., is Pres.

ERIE & PITTSBURG.—John P. Smart, Secy., Erie, Pa., writes us that increase in capital stock was authorized on Jan. 9. "The road is now double-tracked from New Castle, Pa., to a point near end of Sharpsville Yard, 24 miles. As to the ultimate double-tracking of the whole line I am not at present prepared to advise, but in the nature of things it would look as though this improvement were in contemplation." Noted fully on Jan. 26.

FLORIDA.—W. F. Alford, Supt. Construction, Strickland Lumber Co., Kathleen, Fla., informs us that proposed extension will run from Kathleen to Galter Creek, C. Strickland is Pres.; J. L. Parrish, Ch. Engr.

GULF COAST LINE.—O. M. Magill, Bay City, Tex., writes us that line from Brownsville to Corpus Christi and Sinton, Tex., is in operation. SANITARY DISTRICT OF CHICAGO.

TO CONTRACTORS.

SEALED PROPOSALS ADDRESSED TO THE BOARD OF TRUSTEES OF THE SANITARY DISTRICT OF CHICAGO AND INDORSED

"Proposals for constructing the Power House of the Lockport Power Development near Lockport, Ill., on the extension of the Main Drainage Channel of the Sanitary District of Chicago," will be received by the Clerk of the Said Sanitary District at Room 1110 Security Building, Chicago, Ill., until 12 m. (standard time) of Wednesday, the 12th day of April A. D. 1905, and will be publicly opened by said Board of Trustees at a meeting of the Board held that day.

The Power House for which said tenders are invited is to be a concrete structure about 160 feet wide, 386 feet long and 100 feet in height. It is to contain 9 turbine chambers with bulkheads designed for a working head of 34 feet of water, a generator room 62 feet by 359 feet and offices 20 feet by 62 feet.

The work for which said tenders are invited includes supplying all materials for the substructure and superstructure of said Power House, excavating the site and erecting same complete, according to plans furnished by the Sanitary District of Chicago, and in conformity with specifications furnished by the said Sanitary District.

Each bid must be accompanied by a certified check or cash to the amount of three thousand ($3,000) dollars. All certified checks must be drawn on some responsible bank doing business in the City of Chicago, and shall be made payable to the Clerk of the Sanitary District of Chicago. Said amounts of three thousand ($3,000) dollars deposited with bids will be held by the Sanitary District until all of the respective bids for said structure have been canvassed and the contract awarded and signed. The return of said check or cash to the bidder to whom the award of said work shall have been made will be conditioned upon his appearing within ten (10) days after receiving notice of such award, with bondsmen, and executing a contract with the Sanitary District for the work so awarded, and giving a bond satisfactory to the Board of Trustees for the fulfillment of the contract in the amount of one hundred thousand ($100,000) dollars.

All bids must be upon blank forms furnished by the Sanitary District.

No bid will be considered unless the party making it shall furnish evidence, satisfactory to the Board of Trustees, of his experience and ability in this class of work and his financial ability successfully to prosecute the said contract in case the same shall be awarded to him.

Bidders are required to state in their bid their individual names and places of residence in full.

The said Board of Trustees reserves the right to reject any and all bids.
